

PROBLEMS IN MYREVIEW (INSTALLED ON DUMMY)

1. When we login using email id and password, we see 'Guidelines page'. There is written,

'Before creating an account you can [check whether you are already registered](#).' When i clicked [check whether you are already registered](#) i got following error.

Zmax_Exception in /var/www/MyReview/application/models/Mail.php at line 112:

Unable to find mail 'ack_account' in language 'en'

=====

2. When i tried to submit an abstract for paper, i got following error:

Zmax_Exception in /var/www/MyReview/application/models/Mail.php at line 112:

Unable to find mail 'ack_submit' in language 'en'

=====

3.

a) On many pages, text not properly displayed

e.g. On page, <http://202.164.53.116/author/console>

[{def.local_menu}: [My submissions](#) | [My profile](#) | {author.my_participation_header}]

My submissions

{author.console_submission_instructions}

b) table on this page is going out of the website template margin.

c) In this table, where we upload papers, there written:

Submitted paper* (format: pdf)

Slides* (format: pdf)

what does **slides*(format.pdf)** means?????

=====

4. On page, <http://202.164.53.116/author/process> i got followong error:

Zmax_Exception in /var/www/MyReview/application/models/Mail.php at line 112:

Unable to find mail 'ack_edit' in language 'en'

but changes are taken place.
