To

SUBJECT :- Six Months Industrial Training of B.Tech. Students 7th / 8th Semester Of _____

Dear Sir,

Guru Nanak Dev Engineering College has emerged as one of the most prestigious engineering institutes of North India over the 55 years of its inception.

The college is conducting B.Tech courses in seven disciplines as well as M.Tech, MBA and Ph.D courses for meeting the research requirements of the technical fields.

In an endeavor to give more exposure to Industrial Environment and to give insight into the practical aspect of industrial working to students after theoretical knowledge as well as enhance their technical knowledge but also help them in serving the industry more efficiently and effectively, Punjab Technical University, Jalandhar has introduced a **Six Months "Industrial Training"** as part of engineering curriculum.

The programme will be as under:

- Study of the affiliated company – its organisational set up and work.
- Preparation of Synopsis – based on project to be worked on.
- Working on the given project – provided by the company.
- Submission of Mid Term Report and Final Report as and when required.
- Submission of Daily Diary, at end of training - maintained & checked by the company representative

We shall feel grateful if your esteemed organization kindly accords sanction to undergo Practical Training for Six Months and do project work as assigned by the organization to the following student(s).

Name	Roll No.	E-mail ID	Phone No.

Exact date of joining will be intimated at a later stage. An early and favorable response will be highly appreciated.

Yours Sincerely

(Prof. K.S. Mann)
